NVP Jackie's Message

IMAGINE... The definition of the word IMAGINE is as follows - something you do with your mind and believe with your heart; an idea.

Happy Spring Senators and Friends,

What a great MAI hosted by the New York Senate and Chaired by Dave Stern! I hope you all enjoyed your weekend in Grand Island.

Congratulations to Stan Malkinski Memorial Award winner Beth Newill of Pennsylvania and Dick Thomas Memorial Award winner Dick Howell of Delaware, it has been a pleasure working with both of you. Congratulations also to Carol Tuohy who was presented with a Senatorship at the Saturday evening banquet.

This year has also been the 30th Anniversary of the establishment of two separate regions, Region 2 and Region 3 from the Mid-Atlantic Institute. Region 3 NVP Donna Yenney and I have referred to it as "30 years of Separate but still Together" which we celebrated with the past NVPs from both Region 2 and Region 3 first

Thank you also to my husband, Mark for his guidance and support. He is always willing to listen to my ideas (some good/some not so good). He has been a very good travel companion even when we got lost he never raised his voice or made fun of the fact that I am directionally challenged.

Bob Cairns, I hope you have as much fun as I have had this year.

Delaware JCI Senate News

By President Carole Harlan

Greetings from the Delaware Senate!

Here we are, back in the small wonder state, after venturing out to New York for the 2014 MAI Conference! The New York Senate hosted a fun-filled weekend and what a weekend we had! Eleven of us made the journey, and all had a great time. We made some group side trips on our own, some going over the border to Canada to see Niagara Falls and the wineries, and some staying in the states to see the falls from the American side and the casino. Others just doing their own thing... but the consensus is that everything was grand in Grand Island, NY!

The highlight of the weekend came at the dinner on Saturday night, when our own Dick Howell was presented with the Dick Thomas Memorial Award for Outstanding Treasurer for Region II. We all know that is a great treasurer, and has served us well for many, many years. But it is fantastic to have him honored for a job well done. Congratulations, Dick!

Now that we are back home, things are settling down. The year is not over yet; there is still much to do in the final quarter. Several Senators will be helping the Wilmington Jaycees in April with the Outstanding Young Wilmingtonian. Elections for the 2014-2015 Board of

Vice President elect Bob Cairns*

Directors for the Delaware Senate will be held at our May 19th membership meeting in Dover, DE; and just before National Convention in Baltimore, MD, we will once again be working the concession stands on June 21st at the Annual Blue and Gold game at the University of Delaware.

I want to personally thank my Board of Directors for a great year, the teamwork was just awesome! Thank you to the Delaware Senate, not only for the opportunity to serve as President, but to see more of you get involved in our projects and social events. It truly has been a fabulous year, and I am honored to have been a part of it. We are on a roll, and need to keep the Jaycee spirit alive and well in Delaware!

The year is almost over, hard to believe. I attended my first MAI in Grand Island, NY which is a beautiful area near the (at the time) partially frozen Niagara Falls. I very much enjoyed meeting senators from Region 2 and Region 3 and other areas of the country.

Congratulations to our newest New Jersey JCI Senator, Carol Tuohy #73044. My thanks to Dexter Graef who conducted the presentation and Jim and Jan Rose for allowing us the use of their suite for the traditional champagne pouring which was attended by all 16 New Jersey JCI Senator delegates.

Thanks to Regional Vice President Jackie Grim for allowing us to present the senatorship at the banquet. I have also appreciated her reminders and support throughout this past year.

Terry Seeley and Marcia Sheppard were great roomies as well as co-pilots for the drive of course keeping me awake and finding "Cracker Barrel". Terry and Marcia were recognized for 15 years of

Foundation fundraising with their auction.

I appreciate everything my board has done this past year, thank you for your efforts and advice.

Upcoming events:

Alisa Hodowanec is in the planning stages for a trip to Monmouth Park Racetrack. Jim and Kathy Sandham have offered to host the summer social. More information to come on both socials. National Convention is June 25-28 in Baltimore, hoping to see you there.

Wishing you all health and good fortune,

Bob Friedlander, #48025

Hope to see you all in Baltimore!

New York JCI Senate News

Hello Senators,

The year is more than half over, but there is work is far from being done. It's been a fantastic year so far and I'm so happy to be the New York State President.

MAI was a great experience. As the hosting state it was a lot of work but it was a lot of fun. On behalf of my state and my planning committee, I would like to thank all who attended.

New York is busy putting the finishing touches on our 50th celebration this May. We will be celebrating 50 years of New York State JCI Senate and we are also meeting with the New York State JCI as they hold their regular meeting and convention. Senators from far and near are invited to join us and celebrate.

Pennsylvania JCI Senate News

By President Beth Newill

It is amazing that one year is almost over. It has been a busy, fun and exciting time with some work, some traveling, and lots of great people.

I know this year would not have been such a success without my family and my Senate family. Thanks to Mom and Dad for always being there. Thanks to VP Nancy Salopek, Treasurer Russ Lang, Secretary Sally Traczuk and Chairman of the Board for all your work to make this a great year. In addition, thank you to the rest of my Senate family for your help as well. The Pennsylvania Senate is such a success from all of your help every year.

I look forward to seeing everyone in a few weeks on May 2-4, 2014 at the Lancaster Host Resort for the May State Board Meeting we are hosting for the PA Jaycees. It will be a fun time remembering the past year and then swearing in our new board. I know that President Elect Nancy Salopek and her team - Vice President Sally Traczuk, Treasurer Elect Russ Lang and Secretary Elect Beth Muir - will work hard to ensure the success of the PA Senate during the year ahead.

In addition, we look forward to hosting the US Jaycee Senate Fall Board Meeting in Gettysburg, Pennsylvania on September 22-28, 2014. Please schedule to come out for The Gettysburg Experience - a great time with fellow Senators and Friends.

Lastly, I want to thank the New York Senate for hosting a wonderful MAI 2014. A great time was had by all who attended.

In addition, I want to thank our Region 2 NVP Jackie Grim for all her support and efforts during the past year. Thank you for imagining what can be achieved and for helping to make this such a great year for all the states in Region 2.

Always Believing,
Beth
